## DONATION

I would like to make a donation of £ .....

## Gift Aid

If the donation which you are making or have recently made, to the RNHRD is made or was made from your taxed income, may we draw your attention to the advantage of making a Gift Aid Declaration. Using Gift Aid means that we can claim tax against it.

I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 28p of tax on every £1 that I gave up to 5 April 2008 and will reclaim 25p of tax on every £1 that I give on or after 6 April 2008.

# RNHRD CHARITABLE FUND

The RNHRD Charitable Fund raises funds to transform the lives of people affected by complex long term conditions by improving the facilities and environment for patients, their relatives and carers, staff and visitors to the trust.

Royal National Hospital **NHS**  
for Rheumatic Diseases  
NHS Foundation Trust

# WHO ARE WE?

Known locally as 'The Min', the (RNHRD) is a small specialist hospital with a long history of delivering care for people with long term conditions.

The hospital has resided in the centre of Bath in a Grade II listed building since its foundation in 1738. The RNHRD has an international reputation for

- Rheumatology
- Fatigue Management
- Chronic Pain Management

It also provides diagnostic, endoscopy and clinical measurement services.

The hospital provides care locally, regionally and nationally to those in need, of any age and background. Our vision is to transform the lives of people affected by complex long term conditions. The hospital provides patient - centred services, where each patient has the best support for their care and rehabilitation, and also work with patients and their carers to support them in the management of their condition.

We rely solely on your donations to continue the valuable work of the charitable fund helping those with rheumatic diseases.
